I just received confirmation from Home Abstract that the sewer lift station is NOT encumbered by the Bank of America lien. I told Lisa Lyon to schedule closing ASAP! We will deal with the right-of-way when we get the partial release for the portion which is encumbered by the lien.

Sonya,

Looks like they are waiting on the updated released legal description for the 0.551 acres right of way taking, that only includes the portion of the property on the 1.588 acres before they can proceed further. Who is responsible for getting this done?

Thanks,
Ricky Wiggins
City Councilman

Good afternoon, Mr. Heck

Per your request, I have attached for your review the aerial map with survey overlay from our surveyor showing the relationship of the Cunningham residence to the proposed sewer lift station and right-of-way to be acquired by the City of Bruceville-Eddy. Please let me know if this document will suffice for your auditor's verification purpose.

Also, you made mention of an easement document. There is no such item. Both the right-of-way parcel and the sewer lift station site are being acquired by the City of Bruceville-Eddy in fee simple. Both parcels are to be conveyed by the Cunninghams by Warranty Deed. Attached are copies of the proposed deeds.

Also, you mentioned the need to submit a \$250.00 administrative fee. It is my understanding that Bruceville-Eddy Administrator Sonya Bishop sent by overnight delivery two cashier checks, one in the amount of \$1,300 for the appraisal fee and one in the amount of \$350 for the administrative review fee, with the Cunninghams' application. Can you confirm the amount needed. Also, since the City of Bruceville-Eddy's legal counsel prepared the two attached deeds, I suppose we will need to submit the \$398 legal review fee, as called for in Initial requirements Letter.

Please let us know if there is anything else we need to provide in order to bring this matter to a close.

Thank you.

RE: Peggy Cunningham and Charles Cunningham

Property: 416 N Old Bruceville RD., Bruceville, TX 76630
BOA loan #: 0250077574
Request: DOT Taking

Good Morning,

I have received your email on the, Cunningham - DOT Taking request. The auditor will need verification of the location of the lift station in relation to the house, to submit to the appraisal company. We will also need a copy of the easement agreement signed by the borrowers. Also the check for the \$250 administrative fee. I will get the appraisal ordered as soon as the information with the location of the lift station is received. Please let me know if you have any questions.

Thank you,

that the public interest is secured, provided that such variance shall not have the effect of nullifying the intent and purpose of these regulations. Any variance thus authorized is required to be entered in writing into the minutes of the City Council and will be subject to such conditions as will substantially secure the objectives of this Ordinance. Any request for variances to this Ordinance shall be submitted to the City Council by filing the same with the City Secretary, at least 30 days prior to the regular meeting, at which the variance will be considered. Submittals shall not be accepted until a letter of transmittal requesting review including payment of the required fees is delivered to and received by the City with the supporting documents. Supporting documents, including but not limited to, sufficient information to address the following items [sic]. Variances may be granted provided:

- a. The effect of the variance will not be detrimental to the public safety, health, welfare or injurious to other property.
- b. The conditions upon which the request for variances is based are unique to the subdivision under consideration and are not generally applicable to other properties.
- c. Due to the specific conditions or topography of the site involved strict enforcement of these regulations would impose an undue hardship on the applicant.

(Ordinance 070116 adopted 7/14/16)

SECTION 23 INSPECTION

25.01 The City shall be given opportunity to inspect all phases of the construction of improvements for subdivisions. The subdivider, or his contractor, shall maintain frequent contact with the City staff and the City Engineer, during construction of improvements. (Ordinance 070116 adopted 7/14/16)

APPENDIX A

SPECIFIC REQUIREMENTS AND DESIGN CRITERIA FOR SUBDIVISIONS

Unless specifically agreed by contract in writing to the contrary, all required subdivision improvements, both on-site and off-site shall be provided and paid for by the developer/subdivider.

I. STREETS AND ALLEYS.

A. Policy.

- a. Streets constructed within the City shall be classified according to the following criteria:

Residential	50 - 60 feet [of] right-of-way
 Collector	80 feet of right-of-way
Arterial	100+ feet of right-of-way

- b. Residential streets shall be so laid out that use for through traffic will be discouraged.

c. Arterial streets intersect at 90 degree angels [angles] unless otherwise approved by the City.

d. Half-streets shall be prohibited.

e. Strips of privately owned property reserved for the obvious purpose of controlling access to streets shall be prohibited except where control is definitely placed for the City under conditions approved by the City Council.

f. Street alignments with centerline offsets of less than 125 feet shall be prohibited.

g. A cul-de-sac shall not be longer than 600 feet and at the closed end shall have a turnaround provided, having a minimum outside roadway diameter of 100 feet and a minimum street property line diameter of 120 feet.

h. Alleys are required in all residential subdivisions with rear access to lots. Alleys shall have a minimum right-of-way width of twenty (20) feet and be paved to the standard of streets.

i. Blocks should be platted to allow two tiers of lots. Other platting arrangements will be considered on a case-by-case basis.

j. All lots shall be adjacent to a dedicated street to which access is allowed. Where a tract of land is subdivided into parcels that are larger than normal building lots, such parcels shall be arranged to permit the opening of future streets and a logical ultimate re-subdivision. Side lot lines shall be at right angles to straight street lines or radial to curved street lines. Lots shall have an area not less than 8000 square feet and a width not less than 80 feet at the front lot line.

k. Blocks lengths shall not exceed 1,000 feet in length as measured from street centerline.

l. Alleys or loading courts, of a minimum width of 20 feet of paved surface, or in lieu thereof, adequate off-street loading space shall be provided in business blocks.

m. Existing Adjacent Streets.

a. When a proposed subdivision of land abuts either one or both sides of an existing substandard road according to the current City of Bruceville-Eddy standards, the Developer shall be required to improve the existing road at his expense to bring the same to the City of Bruceville-Eddy standards.

b. Whenever under any of the provisions of this section, funds are required to be escrowed for the cost of future improvements to substandard roads, the form of such escrow shall be cash or its equivalent.

B. Engineering Design. The engineering design of streets in the City of Bruceville-Eddy shall conform to the current street standards as adopted by the City of Bruceville-Eddy, but in no case less than 30 feet wide, reinforced concrete curb and gutter, six-inch (6") thick cement stabilized base and 1-1/2" of hot mix asphalt

cement. Gutter may be omitted provided the street right-of-way width is increased to 60 feet to allow adequate space for road ditches and ribbon curb is provided.

II. STORMWATER CONTROL

A. Policy. An adequate stormwater control system, including but not limited to drainage easements, curb inlets, area inlets, pipes, channels, detention basins, culvert pipes and other drainage structures, shall be constructed to prevent flooding and conform to the current drainage requirements of the City of Bruceville-Eddy. No preliminary or final plat or permit shall be approved that will cause an adverse drainage impact on any other property, based on the 2 year, 10 year, 25 year and 100 year floods. A stormwater pollution prevention plan as required by state and federal authorities shall be provided and implemented.

B. Engineering Design. Stormwater runoff shall be designed based on the Rational Method or approved equal. A stormwater pollution prevention plan shall be implemented prior to commencement of site clearing and include silt fences, silt barriers, catch basins, temporary channels, etc. These facilities will be operated and maintained until permanent vegetation and other groundcover is established in the subdivision. Streets and street/lot drainage structures shall be sized to contain runoff for not less than 10-year frequency storm event. Collection drainage structures shall be designed to contain runoff for not less than 25-year frequency storm event. The drainage system shall be designed to convey the peak flow generated from the 100-year frequency storm within dedicated rights-of-way or easements. The peak flood level during a 100-year frequency storm event will not be less than 3 feet below the finished floor of any building structure. No stormwater conduits shall be smaller than 18 inches in diameter. All culvert pipes shall end with sloped safety ends or headwalls. If open channels are used, side slopes shall not exceed 4:1 with concrete pilot channels. Concrete channel sides will be required if excessive velocity is anticipated. Discharge of stormwater onto adjacent properties at rates that exceed the predevelopment condition will not be allowed unless off-site drainage easements and downstream improvements are provided by the developer. In the absence of such downstream easements and improvements, the discharge shall be limited to predevelopment flows based on the 2 year, 10 year, 25 year and 100 year frequency flood events. Detention and/or retention ponds shall be provided by the developer with appropriately designed and constructed gravity discharge control structures (no pumps).

III. WATER AND WASTEWATER

A. Policy. All subdivisions shall provide a water system (including fire flows) and a wastewater system including appurtenances to serve the subdivision in accordance with standards, specifications and master plan as adopted by the City, without reducing the service to the existing system.

B. Engineering Design. As a minimum, water, sewer, and fire protection shall be provided for all subdivisions, without reducing the level of service to the existing system and shall be designed to the current standards of the State regulatory agencies and the standards, specifications and master plan as adopted by the City. The developer's engineer shall provide the anticipated average maximum day water consumption based on the estimated total domestic, irrigation and other water uses anticipated. The City's engineer shall evaluate the impact of the subdivision water demand on the existing water system to recommend if any off-site improvements are required.

1. A subdivision will normally require extension of water and wastewater facilities, including off-site and oversize water and/or wastewater mains in order to maintain compliant service to the existing system and allow for future development of adjacent tracts, lots, or blocks. The expense of all extension of such mains shall be borne by the developer. Water and sewer mains shall be made adjacent and parallel to streets. Easements and rights-of-way for water and sewer facilities shall be provided by the developer.
2. Subdivisions should have at least two water main connections for that subdivision and all interior mains in the subdivision shall be looped. The minimum size water main for fire flows is a looped six-inch water main served by two sources or an eight-inch water main served by two sources. Water system improvements will require all appurtenances including but not limited to water mains, service lines, metering facilities, gate valves, fire hydrants, flush valves, and encasement pipes. Water system improvements may also include control valves, pumps, tanks, and plants.
3. Developers that provide water and wastewater service lines to lots from street right-of-way shall be consistent as to the location of such service lines on all lots in the subdivision and the location of each service line shall be marked at the curb by permanently inscribing in the curb face a 'W' indicating water and an 'S' indicating wastewater service lines.
4. Wastewater lift stations shall be avoided. Should a gravity wastewater main be located in proximity to the subdivision, the developer shall construct at his expense the necessary off-site improvements to connect to the existing wastewater main.
5. Should the City Engineer determine that wastewater lift station(s) must be installed to serve the subdivision, oversizing such lift stations(s) shall be paid for by the developer.
6. On-site sewage facilities may be approved, if an existing wastewater system is not available. The engineering design or plans for installing on-site sewage facilities in the City shall conform to the current standards as adopted by the County of McLennan.

IV. EASEMENTS

A. Policy. Easements shall be provided on subdivision plats when the following criteria indicate that an easement is required. Where not adjacent to a public way, easements at least twenty (20) feet wide for utility construction, service, and maintenance shall be provided where necessary in locations approved by the City Council. Easements of at least ten (10) feet in width shall be provided on each side of all rear lot lines and at side lot lines, where necessary, for utilities such as electric, telephone, streetlights and natural gas. Easements having greater width dimensions may also be required along or across lots where engineering design or special conditions make it necessary for the installation of utility systems or drainage systems outside public rights-of-way. For lots facing on curvilinear streets, the rear easement should consist of straight lines with a minimum of points of deflection.

B. Utility Easements. Any public utility, including the City of Bruceville-Eddy, shall have the right to move and keep moved all or part of any building, fences, trees, shrubs, other growths or improvements which in any way endanger or interfere with the construction, maintenance, or efficiency of its respective systems on any of the

easements shown on the plat; and any public utility, including the City of Bruceville-Eddy, shall have the right at all times of ingress and egress to and from and upon said easements for the purpose of construction, reconstruction, inspection, patrolling, maintaining and adding to or removing all or part of its respective systems without the necessity at any time of procuring the permission of anyone.

C. Emergency Easements. Emergency easements and fire lane easements shall be provided in locations required by the Chief of the Bruceville-Eddy Fire Department. These easements shall have a minimum width of twenty (20) feet and a minimum height clearance of fourteen (14) feet. Any emergency access and fire lane easement more than one hundred (100) feet in length shall either connect at each end to a dedicated public street or be provided with a cul-de-sac having a minimum diameter of eighty (80) feet with an additional distance of ten (10) feet on all sides clear of permanent structures. These easements shall be paved to Design Standards and specifications recommended by the City Engineer.

D. Public open space restrictions.

No structure, object or plant of any type may obstruct vision from a height of twenty-four (24) inches to a height of eleven (11) feet above the top of the curb, including, but not limited to buildings, fences, walks, signs, trees, shrubs, cars, trucks, etc., in the public open space easement as shown on this plat. These open space easements will remain in effect until vacated by ordinance adopted by the City Council of Bruceville-Eddy and the property resubdivided.

The preceding Public Open Space Restrictions may be altered to permit, on commercially zoned lots, the placement within the easement area of one (1) single pole sign and said pole not to exceed twelve (12) inches in diameter and with every portion of said sign allowing a minimum height clearance between it and the ground of eleven (11) feet.

V. **UTILITY SERVICES**

A. All services for available utilities shall be made available to each lot in such a manner so as to eliminate the necessity for disturbing the street and alley pavement, curb, gutter, sidewalks, and drainage structures when connections are made.

B. All electric, telephone utilities, street lighting, and cable television can be either aboveground or underground.

C. All support equipment (transformers, amplifiers, switching devices, etc.) necessary for installations shall be aboveground, pad-mounted, or placed underground, where applicable.

VI. **MISCELLANEOUS**

A. **Street Signs:** The Developer shall pay the City for street signs for the subdivision. There shall be one sign for each intersection.

(Ordinance 070116, app. A, adopted 7/14/16)

zoning

(c) comply with City aesthetic standards, building setbacks, side and rear yard offsets, subdivision control, architectural landscaping, square footage, and other site requirements applicable to single-family dwellings; and

(d) be securely fixed to a permanent foundation.

For purposes of this subsection 7-800(3)(c) [7-800(3)], "value" means the taxable value of the industrialized housing and lot after installation of the housing.

4. Any owner or authorized agent who intends to construct, erect, install, or move any modular or industrialized housing into the City shall first make application to the City and obtain the required permits, including a conditional use permit, if applicable. In addition to any other information otherwise required for said permits, the application for a conditional use permit or other required permit (if a conditional use permit is not required) shall:

(a) identify each single-family dwelling located within five hundred (500) feet of the lot on which the modular or industrialized housing is to be located, and show the taxable value for each such dwelling as determined by the most recent certified tax appraisal roll for the county;

(b) describe the exterior siding, roofing, roof pitch, foundation fascia, and fenestration for each single-family dwelling located within five hundred (500) feet of the lot on which the modular or industrialized housing is to be located;

(c) describe the permanent foundation and method of attachment proposed for the modular or industrialized housing;

(d) state the taxable value of the modular or industrialized housing and the lot after installation of the modular or industrialized housing; and

(e) indicate the deed restrictions otherwise applicable to the real property on which the modular or industrialized housing is to be located.

(Ordinance 2003-01, sec. 7, adopted 3/4/03; Ordinance 2003-9-4, sec. 7, adopted 9/4/03; Ordinance 2003-9-4 part I, secs. I, II, adopted 3/4/04; Ordinance 2003-9-4 part II adopted 3/4/04)

SECTION 8 AREA REGULATIONS

8-100 Except as hereinafter provided, no building or structure or part thereof shall be erected, altered or converted for any use permitted in the district in which it is located unless it is in conformity with all the minimum regulations herein specified for lot area, lot width, lot depth, lot coverage and front, side and rear yards.

8-101 LOT AREA

The minimum residential lot area for the various districts must be in accordance with the following schedule except that a lot having less area than herein required which was an official "Lot of Record" prior to the adoption of this Ordinance may be used for a single-family dwelling and no lot existing at the time of passage of this Ordinance may be reduced in area below the minimum requirements set forth herein:

In the following zoning districts the minimum lot area for each residential dwelling unit must be in accordance with the following schedule:

Schedule of Minimum Required Lot Areas Per Family Unit (8-101)

Type of Use	A	UE	SF-1	SF-2	SF-3	MH	MF-1	MF-2	LR	GB	LI	HI
Single-Family Detached Dwelling	1 acre	22,500	9,000	6,000	5,000	6,000	7,000	6,000	6,000	6,000	-	-
Two-Family Dwelling	-	-	-	-	-	-	4,000	3,500	-	3,500	-	-
Multiple-Family Dwelling 1-3 Stories	-	-	-	-	-	-	2,000	1,800	-	1,800	-	-
Multiple-Family Dwelling Over 3 Stories	-	-	-	-	-	-	-	600	-	-	-	-
Manufactured Home in Manufactured Home Park	3,500*	3,500	-	-	-	3,500*	-	-	-	-	-	-
Manufactured Home in Subdivision	4,000	4,000	-	-	-	4,000	-	-	-	-	-	-
Modular/Industrialized Housing	4,000	4,000	4,000	4,000	4,000	4,000	4,000	4,000	-	-	-	-
Manufactured Home on Individual Lot**	1 acre**	22,500**	9,000**	6,000**	5,000**	4,000	-	-	-	-	-	-

*Manufactured Home Density in Manufactured Home Park Shall Not Exceed 10 Units Per Gross Acre and No Park Shall Contain Less Than 5 Acres

Minimum required lot area in square feet for each dwelling unit

Note: - Indicates area does not apply for type of housing

**Manufactured housing is allowed in the A, UE, SF-1, SF-2 and SF-3 districts only by conditional use permit.

8-200 LOT WIDTH

The minimum lot width for lots in the various districts used for residential purposes must be in accordance with the following schedule, except that a lot having less width than herein required which was an official "Lot of Record" prior to the adoption of this Ordinance may be used as a single-family dwelling and no lot existing at the time of passage of this Ordinance may be reduced in width below the minimum set forth herein.

8-201 In the following zoning districts the minimum lot width for residential uses must be in accordance with the following schedule:

Schedule of Minimum Required Lot Width (8-201)

Type of Use	A	UE	SF-1	SF-2	SF-3	MH	MF-1	MF-2	LR	GB	LI	HI
Single-Family Detached Dwelling	100	80	70	60	50	50	50	50	50	50	-	-
Two-Family Dwelling	-	-	-	-	-	-	60	60	-	60	-	-
Multiple-Family Dwelling 1-3 Stories	-	-	-	-	-	-	60	60	-	60	-	-
Multiple-Family Dwelling Over 3 Stories	-	-	-	-	-	-	-	60	-	-	-	-
Manufactured Home in Manufactured Home Park	35	35	-	-	-	40	-	-	-	-	-	-
Manufactured Home in Subdivision	40	40	-	-	-	40	-	-	-	-	-	-
Modular/Industrialized Housing	40	40	40	40	40	40	40	40	-	-	-	-
Manufactured Home on Individual Lot*	100*	80*	70*	60*	50*	40	-	-	-	-	-	-

Minimum Required Lot Width in Feet

Note: – Indicates Width Not Applicable

*Manufactured Housing is Allowed in the A, UE, SF-1, SF-2 and SF-3 Districts Only By Conditional Use Permit

8-300 LOT DEPTH

The minimum lot depth for the various districts must be in accordance with the following schedule, except that a lot having less depth than herein required which was an official "Lot of Record" prior to the adoption of this Ordinance may be used for a single-family dwelling and no lot existing at the time of passage of this Ordinance may be reduced in depth below the minimum set forth herein.

In the following zoning districts the minimum required lot depth for residential uses must be in accordance with the following schedule:

Schedule of Minimum Required Lot Depth (8-301)

Type of Use	A	UE	SF-1	SF-2	SF-3	MH	MF-1	MF-2	LR	GB	LI	HI
Single-Family Detached Dwelling	150	125	100	100	100	100	100	100	100	100	–	–

Manufactured Home on Individual Lot*	150*	125*	100*	100*	100*	100	–	–	–	–	–	–

10. Council to discuss, consider, and possibly take action on our Child Safety Fund. Explain what this fund is, how much money we have in this fund, how much money we normally receive annually to this fund, what the money in this fund can be used for and what our plan is to utilize this money. (Ricky Wiggins)

CHILD SAFETY

Sec. 502.403. OPTIONAL COUNTY FEE FOR CHILD SAFETY. (a) The commissioners court of a county that has a population greater than 1.3 million and in which a municipality with a population of more than one million is primarily located may impose by order an additional fee of not less than 50 cents or more than \$1.50 for a vehicle registered in the county. The commissioners court of any other county may impose by order an additional fee of not more than \$1.50 for registering a vehicle in the county.

(b) A vehicle that may be registered under this chapter without payment of a registration fee may be registered without payment of the additional fee.

(c) A fee imposed under this section may take effect and be removed in accordance with the provisions of Section 502.401.

(d) The additional fee shall be collected for a vehicle when other fees imposed under this chapter are collected.

(e) A county imposing a fee under this section may deduct for administrative costs an amount of not more than 10 percent of the revenue it receives from the fee. The county may also deduct from the fee revenue an amount proportional to the percentage of county residents who live in unincorporated areas of the county. After making the deductions provided for by this subsection, the county shall send the remainder of the fee revenue to the municipalities in the county according to their population.

(f) A municipality with a population greater than 850,000 shall deposit revenue from a fee imposed under this subsection to the credit of the child safety trust fund created under Section 106.001, Local Government Code. A municipality with a population less than 850,000 shall use revenue from a fee imposed under this section in accordance with Article 102.014(g), Code of Criminal Procedure.

(g) After deducting administrative costs, a county may use revenue from a fee imposed under this section only for a purpose permitted by Article 102.014(g), Code of Criminal Procedure.

Transferred, redesignated and amended from Transportation Code, Section 502.173 by Acts 2011, 82nd Leg., R.S., Ch. 1296 (H.B. 2357), Sec. 137, eff. January 1, 2012.

Art. 102.014. FINES FOR CHILD SAFETY FUND IN MUNICIPALITIES. (a) The governing body of a municipality with a population greater than 850,000 according to the most recent federal decennial census that has adopted an ordinance, regulation, or order regulating the stopping, standing, or parking of vehicles as allowed by Section 542.202, Transportation Code, or Chapter 682, Transportation Code, shall by order assess on each parking violation a fine of not less than \$2 and not to exceed \$5.

(b) The governing body of a municipality with a population less than 850,000 according to the most recent federal decennial census that has adopted an ordinance, regulation, or order regulating the

stopping, standing, or parking of vehicles as allowed by Section 542.202, Transportation Code, or Chapter 682, Transportation Code, may by order assess on each parking violation a fine not to exceed \$5.

(c) A person convicted of an offense under Subtitle C, Title 7, Transportation Code, when the offense occurs within a school crossing zone as defined by Section 541.302 of that code, shall pay a fine of \$25. A person convicted of an offense under Section 545.066, Transportation Code, shall pay a fine of \$25 in addition to other taxable court costs. A fine under this subsection shall be assessed only in a municipality.

(d) A person convicted of an offense under Section 25.093, Education Code, shall pay a fine of \$20.

(e) In this article, a person is considered to have been convicted in a case if the person would be considered to have been convicted under Section 133.101, Local Government Code.

(f) In a municipality with a population greater than 850,000 according to the most recent federal decennial census, the officer collecting a fine in a municipal court case shall deposit money collected under this article in the municipal child safety trust fund established as required by Chapter 106, Local Government Code.

(g) In a municipality with a population less than 850,000 according to the most recent federal decennial census, the money collected under this article in a municipal court case must be used for a school crossing guard program if the municipality operates one. If the municipality does not operate a school crossing guard program or if the money received from fines from municipal court cases exceeds the amount necessary to fund the school crossing guard program, the municipality may:

- (1) deposit the additional money in an interest-bearing account;**
- (2) expend the additional money for programs designed to enhance child safety, health, or nutrition, including child abuse prevention and intervention and drug and alcohol abuse prevention; or**
- (3) expend the additional money for programs designed to enhance public safety and security.**

(h) Money collected under this article in a justice, county, or district court shall be used to fund school crossing guard programs in the county where they are collected. If the county does not operate a school crossing guard program, the county may:

- (1) remit fine revenues to school districts in its jurisdiction for the purpose of providing school crossing guard services;
- (2) fund programs the county is authorized by law to provide which are designed to enhance child safety, health, or nutrition, including child abuse prevention and intervention and drug and alcohol abuse prevention;
- (3) provide funding to the sheriff's department for school-related activities;

- (4) provide funding to the county juvenile probation department; or
 - (5) deposit the money in the general fund of the county.
- (i) Each collecting officer shall keep separate records of money collected under this article.

Added by Acts 1991, 72nd Leg., ch. 830, Sec. 2, eff. July 1, 1991. Subsec. (e) amended by Acts 1995, 74th Leg., ch. 76, Sec. 10.03, eff. Sept. 1, 1995; Subsec. (c) amended by Acts 1997, 75th Leg., ch. 50, Sec. 1, eff. Sept. 1, 1997; amended by Acts 1997, 75th Leg., ch. 165, Sec. 6.05, eff. Sept. 1, 1997. Amended by Acts 1997, 75th Leg., ch. 1384, Sec. 1, eff. Sept. 1, 1997; Subsec. (c) amended by Acts 2001, 77th Leg., ch. 983, Sec. 1; Subsec. (d) amended by Acts 2001, 77th Leg., ch. 1514, Sec. 10, eff. Sept. 1, 2001; Subsec. (e) amended by Acts 2003, 78th Leg., ch. 209, Sec. 69(a), eff. Jan. 1, 2004.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 162 (S.B. 446), Sec. 1, eff. May 26, 2009.

Child Safety Funds Collected from McLennan County

2012-2013	0
2013-2014	\$1,361.18
2014-2015	\$1,770.35
2015-2016	\$1,863.65
2016-2017	\$1,837.35
2017-2018	\$1,891.64
2018-2019	\$1,929.51
2019-2020	<u>Should receive in the near future via McLennan County</u>
Year To Date Totals:	\$10,653.68

These funds have been sitting in unrestricted fund balance; however, the auditors will be adjusting the amount to be in restricted fund balance in the upcoming audit.

Item 11 I do not have any handouts; the school district has not provided any updated application or information as of 1/8/2021 1:52 PM

We had a meeting with the district and attorney briefly Thursday. There was not any new information to provide, Mr. Gershon will fill everyone in on the update.

12. Council to discuss, consider and possibly take action on amending Ordinance Sec. 1.04.034 Powers and duties, section (1), changing part of the last sentence to read: "with the exception of the police department, *code enforcement department* and chief of police." (Ricky Wiggins)

The city administrator shall be the administrative officer of the city. He or she shall be responsible to the governing body of the city for the proper administration of all affairs of the city. To that end, he or she shall be empowered and shall be required to:

Amend

- (1) Prepare job descriptions for all officers and employees of the city, and fill budgeted positions on the city staff, other than department heads. The city administrator shall recommend to the mayor and city council the appointment of department heads, with the exception of the chief of police. The city administrator shall be empowered to suspend department heads, and recommend their termination to the mayor and city council, with the exception of the chief of police. The city administrator shall direct and supervise the day-to-day activities of all employees through department heads, with the exception of the police department and the chief of police.
- (2) Prepare the budget draft annually in conjunction with the heads of departments, and submit it to the governing body together with a message describing the important features and be responsible for the administration of the adopted budget.
- (3) Prepare and submit to the governing body with the assistance of the heads of departments at the end of the fiscal year a complete report on the finances and administrative activities of the city for the preceding year.
- (4) Keep the governing body advised of the financial condition and future needs of the city, and make such recommendations as may be deemed desirable. Make proposals for applications for federal grants and make required reports for such grants as may be applicable and desirable for city needs.
- (5) Keep the governing body informed on a timely basis of the significant activities of the city with special emphasis on the expansion projects associated with the growth of the city.
- (6) Recommend to the governing body a standard schedule of pay for each appointive office and position in the service, including minimum, intermediate and maximum rates.
- (7) Recommend to the governing body (from time to time) adoption of such measures, ordinances, and resolutions as may be deemed necessary or expedient for the health, safety or welfare of the community or for the improvement of administrative services.
- (8) Attend all meetings of the governing body unless excused therefrom, and be prepared to answer questions that may be asked.
- (9) Supervise the purchase of all materials, supplies and equipment for which funds are provided in the budget; purchase materials and supplies necessary for operation or maintenance of city services for amounts up to and including two thousand dollars (\$2,000.00) and up to and including four thousand nine hundred ninety-nine and 99/100 dollars (\$4,999.99) with the proper approval of the governing body to the extent funds have been provided in the budget. No purchase shall be made, contract let or obligation incurred which exceeds the current budget appropriation without a supplemental appropriation by the governing body. No contract shall be let except by the mayor and the city council. The city administrator may issue such rules governing procedures for purchasing within the administrative organization as the governing body shall approve.
- (10) Transfer any unneeded surplus in the amount budgeted from one account to another account in which a deficiency exists, if and when, in the judgment of the city administrator, actual or probable receipts are less than the amount estimated and herein appropriated for expenditures of the several departments. The city administrator may authorize the transfer of funds by department heads among major account divisions within department budgets.
- (11) See that all laws and ordinances are duly enforced and see that all franchises, permits and privileges granted by the city are faithfully observed.
- (12) Investigate the affairs of the city, or any department or division thereof. Investigate all complaints in relation to matters concerning the administration of the governing of the city, and regarding service maintained by the public utilities in the city, and see that the quality of service be maintained by the public works department.
- (13) Perform such other duties as may be required by the governing body not inconsistent with the law or ordinances of the city.

(Ordinance 113, sec. 4, adopted 3/4/97; Ordinance 09-2010 adopted 9/9/10; Ordinance adopting Code)

13. Council to discuss, consider and possibly take action on amending Ordinance Sec. 4.02.001 Definitions, Chief code enforcement officer to read: "means the official appointed by the *chief of police* or city council and charged with the responsibility of enforcing this article. (Ricky Wiggins)

Sec. 4.02.001 Definitions

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Calendar year means that period of time from January 1 through December 31 of any year.

Chief code enforcement officer means the official appointed by the administration or city council and charged with the responsibility of enforcing this article. ^{Amend}

Dwelling means any building, or portion thereof, designed or used exclusively for residential occupancy or which is occupied, controlled or used by any person as defined in this section.

Garage sale.

(1) Garage sale means any sale of goods, wares and merchandise in or on any dwelling or private residential premises or in or on any commercial premises other than one zoned therefor and for which a current valid commercial store license has been issued by the state.

(2) Garage [sale] means yard sale, rummage sale, estate sale, moving sale, barn sale, tag sale, porch sale, flea market, garage sale, or any similar casual sale of tangible personal property.

Person means any person, individually, or any group of persons collectively or any association organized for benevolent, charitable, religious or cultural purposes not for business or profit.

(Ordinance 10-01-2014 adopted 11/13/14)

Description 2021 TCEQ Inspections

Standard Terms & Conditions

CLARIFICATIONS

Service Quote is contingent upon availability of personnel and equipment.

Standard payment terms are Net 30 days. USU accepts Visa and MasterCard for invoice payment. A 3% processing fee will be added to the total amount invoiced for all payments made using a credit or purchase card.

Scope of work will meet all American Water Works Association (AWWA) requirements and OSHA 29 CFR specifications, including AWWA current standards (ANSI/AWWA c652-92) regarding disinfection procedures when conducting underwater activities in potable water storage facilities. All equipment used will be for potable water only.

Client is responsible for coordinating the turning off radio frequency (RF) antennas/transmitters which could create an unsafe work environment.

USU will charge \$300.00 per hour for all downtime caused by delays related to unsafe RF activity.

To efficiently complete work, USU requires 10 hours access to tank sites per day. If tanks are not accessible for at least the 10-hour minimum, Client may be subject to additional fees and/or mobilization charges. Additional onsite delays not caused by USU will be subject to an hourly charge of \$300.00. This includes but is not limited to: waiting on Client to arrive, waiting for keys, insect infestations, tanks not being full and baffle walls not revealed to USU prior to agreement in scope of work. Baffle walls create a larger scope of work; please disclose whether a tank has baffle walls so that USU may properly estimate the job.

Project Supervisor will consult with the client representative on the final decision regarding safe working conditions.

If additional mobilization is required to complete a project caused by customer related downtime, USU will invoice additional mobilization fees.

Should Contractor be inhibited or denied access to a facility to perform an inspection, contractor will complete a standard exterior inspection checklist and client will be billed for full quoted inspection price.

Inspection reports will include a proposal of recommendations for compliance with all applicable AWWA, OSHA, TCEQ (Texas only) or state standards/requirements.

Unless otherwise specified, USU will provide digital copies of the completed report. Paper copies of the report can be obtained by client request
PRESSURE TANK CLAUSE, if applicable: A full internal (if accessible) and external inspection will be conducted. Client understands tanks must be drained, de-pressurized and opened prior to inspection. Client is responsible for resealing hatches and drains as well as replacing gaskets. Water level indicator repairs/component replacements are not warranted unless the entire system is replaced and installed by USU.

If client requires a third party onsite for the project, it is the responsibility of the client to pre-arrange arrival to coincide with the commencement of the work. Any delays caused waiting on a client-required third party [i.e. health department, engineering firm, management company] will be billed at a standby rate of \$300.00 per hour.

Unless otherwise specified, pricing does not include site specific training. If a pre-project orientation/training is required to access the site, Client must notify USU prior to quote acceptance. Additional charges may apply for site specific orientation/training.

STANDARD OF CARE. USU will perform its Services using the care and skill ordinarily exercised by professionals performing similar services under similar conditions in the same or similar locality as Project.

INSURANCE. USU shall procure and maintain insurance as follows: Worker's compensation and employer's liability as required by applicable law; comprehensive general liability (\$1,000,000 per occurrence / \$2,000,000 aggregate); professional liability (\$1,000,000 per occurrence / \$2,000,000 aggregate); and automobile liability (\$1,000,000 - combined single limit).

LIMITATION OF CONSEQUENTIAL DAMAGES & LIABILITY. USU shall not be liable to Client for, and Client waives entitlement to and recovery of, consequential damages against USU however caused. USU's total liability to Client for any and all liability arising out of related to this Agreement and/or the services performed by USU, whether in contract, tort, indemnity, or any other cause of action or theory of liability, shall not exceed the available proceeds of USU's insurance. The foregoing limitations shall survive expiration and/or termination of the Agreement.

I hereby certify that I have read and agree to the above terms and conditions of this service quote.

Good Afternoon,

I wanted to wish everyone a Happy and Safe New Year ! May God bless each of you and protect you as we move into 2021. I have many things to be thankful for from this past year. One of the biggest blessings I have received this year is serving as Chief of Police for the Bruceville-Eddy Police Department. I am also very thankful and honored to have the opportunity to work with each of you, and to have such a great team of hardworking and wonderful people at the City of Bruceville-Eddy. I am looking forward to what the future holds for us in 2021, and the opportunity to make this new year the best it can be. No matter what happens in 2021, please know that our Police Officers, and I are here for the Citizens, and each of you.

Respectfully,

M. Dorsey
