City Administrators Report January 28, 2021

Discuss CEFCO- Per Mike Beevers and Guy Slimp Fikes, Wholesale LLC has placed the project on indefinite hold. This is contradictory to the information we were given back in November.

1-20-2021 I reached out to CEFCO about the driveway. To my dismay, I was informed the project is on hold indefinitely. I reached out to several contacts and was told they do not have any further information. Later in the day, via a 3rd source, I was told they had purchased the softball field from BE-ISD. I have not been able to confirm that information.

- a. Update council on the TDEM grant
The grant is in the final stages, and the remainder of the funds should be received soon. Once the funds are deposited, it will be an agenda item to allocate the funds.
- b. Discuss grant from Heart of Texas Council of Governments to attend a grant writing course March 9-10. The grant amount for the course is \$455.00, and there will not be any expense to the city.

I am excited to be given this opportunity. This course provides information on how to find grants and write for them. I will be eager to start testing my skills further once the course is completed.

I will also use this information to help me in my Ph.D. program. There is NO cost to the city, but hopefully, the city will benefit in the future from the knowledge I hope to gain.

- c. Discuss purchasing policy procedure. This will be presented soon for council approval.

I have been doing research and gathering state laws to put together a purchasing policy and procedures. I hope to have this done by the next council meeting.

Bid information for the bulletproof glass has been sent out, and now we are just waiting for responses; thus far, I have not heard from anyone.

- d. Update council on the delivery of the preliminary plans for 4th street. Mr. Krause dropped the plats off 1-21-201, and Pam Combs delivered them to the city engineers' office.

1-21-2021 Pam Combs received the plans from Mr. Krause and immediately took them to Tabor's office. Mr. Tabor has 30 days to review the plans.

Other Notes:

I have been working with Don Dennis with Tyler Technologies. He was able to amend the MTD Auditors report; however, the fee will be \$250.00 per hour in the future.

- 7. Council to discuss, consider and possibly take action on reviewing the permit fees, garage sale permits and possibly omitting/amending some of the fees/permits. Ricky Wiggins**
