City of Bruceville-Eddy, TX

§ 3.06.001

§ 3.06.003

## ARTICLE 3.06 USE OF CARGO, SHIPPING CONTAINERS OR STORAGE CONTAINERS AND ACCESSORY BUILDINGS

### § 3.06.001. Scope.

- (a) The purpose of this article is to regulate the use of cargo, shipping or storage containers and accessory structures on real property in the city.
- (b) The provisions of this article shall apply to all shipping/storage/cargo containers and accessory buildings, as those terms are defined herein, within the corporate limits of the city.  
(Ordinance 112019 adopted 1/9/20)

### § 3.06.002. Definitions.

Accessory storage building. A building originally constructed for use as an accessory building for the storage of materials and equipment accessory to a primary use located on the property. For purposes of this article, cargo containers, railroad cars, truck vans, converted mobile homes, trailers, recreational vehicles, bus bodies, vehicles and similar prefabricated items and structures originally built for purposes other than primary use as a dedicated accessory storage building are not accessory storage buildings.

Cargo/shipping/storage container (hereinafter referred to as "cargo container"). Any metal or primarily metal container designed or constructed to ship, store, or handle bulk goods or items, or which appears substantially similar to such containers in appearance. Such containers include reusable steel boxes, freight containers, and bulk shipping containers; originally, a standardized reusable vessel that was designed for and used in the parking, shipping, movement, transportation or storage of freight, articles of goods or commodities; generally capable of being mounted or moved on a rail car, truck trailer or loaded on a ship.

Temporary or portable storage container (hereinafter referred to as "temporary storage container"). A portable or moveable, weather-resistant receptacle designed and used for the storage or shipment of household goods, wares, valuables or merchandise (typically known as PODS, MODS, etc.), and which is leased on a short-term basis for temporary storage purposes.  
(Ordinance 112019 adopted 1/9/20)

### § 3.06.003. Accessory storage buildings.

Accessory storage buildings may be installed in all zoning districts and shall adhere to the following restrictions and requirements:

- (1) No person shall store, maintain or otherwise keep an accessory storage building on any lot or parcel of property within the city without first having obtained and possessing an active permit issued by the city.
- (2) Electricity is not required but may be added, if permissible under applicable codes and ordinances. City permit must be obtained prior to the addition of any electricity to the accessory storage building.
- (3) Any accessory storage building shall meet the setback requirements of the underlying zone.

- (4) No accessory storage building shall be placed in a location which may cause hazardous conditions, constitute a threat to public safety, or create a condition detrimental to the surrounding land use and development.
- (5) All accessory storage buildings must conform to the current minimum exterior standards for the city.
- (6) No accessory storage building shall be used as living quarters.  
(Ordinance 112019 adopted 1/9/20)

**§ 3.06.004. Cargo/storage/shipping containers.**

- (a) Placement. Cargo containers are not permitted to be used on property zoned residential or on property the primary use of which is residential. The placement of cargo containers as an accessory storage use is limited to the following zoning districts:
  - (1) Local business district (LI).
  - (2) Heavy industrial (HI).
- (b) Cargo containers for permanent storage. When allowed by zoning, cargo containers may be permanently placed on the property if all applicable building regulations are followed and the property owner first obtains an active permit from the city. The following rules shall also apply.
  - (1) Cargo containers shall not be used for any advertising purpose and shall be kept clean of all alpha-numeric signage and writing.
  - (2) Cargo containers shall be painted in solid neutral colors (colors which blend into the surrounding area). Any writing or graffiti that may be placed on the container is the responsibility of the property owner and shall be promptly removed.
  - (3) A solid foundation (road base material or better) is required for permanent accessory storage uses.
  - (4) Cargo containers shall meet the setback requirements of the underlying zone.
  - (5) Cargo containers shall not be stacked above the height of a single container device.
  - (6) No electricity or plumbing may be run or connected to a cargo container.
  - (7) Cargo containers must be placed toward the rear half of the property unless screened so as to not be visible from the street and finished in a manner which minimizes its visibility from overhead views from nearby buildings and elevated thoroughfare sections.
  - (8) Cargo containers shall not be used to store hazardous materials.
  - (9) Cargo containers shall be in an approved designated area and on the same property as the principal use and be included in the calculation of overall lot coverage.
  - (10) Cargo containers shall not occupy required off-street parking, fire lanes, loading or

landscaping areas.

- (11) Materials stored within cargo containers are subject to review and approval by the fire department and code enforcement.
  - (12) No cargo container shall be placed in a location which may cause hazardous conditions, constitute a threat to public safety, or create a condition detrimental to the surrounding land use and development.
  - (13) All cargo containers shall be secured from entry by children and the general public when not attended.
  - (14) No cargo container may be used as living quarters.
  - (15) Ventilation is not required.
  - (16) Cargo containers associated with an approved building construction project shall be permitted to remain on-site until the approval of the project's final building inspection or the expiration of the master building permits' expiration date (180 days), if less.
- (c) Cargo containers for temporary storage. Businesses with multiple containers for temporary storage must be able to produce for inspection upon request by the city any documentation related to shipping dates for each container on site. No cargo container shall be kept on the premises for longer than one year. The following rules shall also apply:
- (1) Cargo containers shall meet the setback requirements of the underlying zone.
  - (2) Cargo containers shall not be stacked above the height of a single container device.
  - (3) No electricity or plumbing may be run or connected to a cargo container.
  - (4) Cargo containers must be placed toward the rear half of the property unless screened so as to not be visible from the street and finished in a manner which minimizes its visibility from overhead views from nearby buildings and elevated thoroughfare sections.
  - (5) Cargo containers shall not be used to store hazardous materials.
  - (6) Cargo containers shall be in an approved designated area and on the same property as the principal use and be included in the calculation of overall lot coverage.
  - (7) Cargo containers shall not occupy required off-street parking, fire lanes, loading or landscaping areas.
  - (8) Materials stored within cargo containers are subject to review and approval by the fire department and code enforcement.
  - (9) No cargo container shall be placed in a location which may cause hazardous conditions, constitute a threat to public safety, or create a condition detrimental to the surrounding land use and development.
  - (10) All cargo containers shall be secured from entry by children and the general public when

not attended.

(11) No cargo container may be used as living quarters.

(12) Ventilation is not required.

(13) Cargo containers associated with an approved building construction project shall be permitted to remain on-site until the approval of the project's final building inspection or the expiration of the master building permits' expiration date (180 days), if less.

(Ordinance 112019 adopted 1/9/20)

**§ 3.06.005. Temporary or portable storage containers.**

(a) Placement. Temporary storage containers may be installed in all zoning districts and shall adhere to the following restrictions and requirements:

- (1) No temporary storage container may be stacked on top of another or on top of any other object.
- (2) Temporary storage containers shall not be used to store hazardous materials.
- (3) Temporary storage containers shall meet the setback requirements of the underlying zone.
- (4) No electricity or plumbing may be run or connected to a temporary storage container.
- (5) Temporary storage containers must be placed toward the rear half of the property.
- (6) Temporary storage containers shall not be used for any advertising purpose and shall be kept clean of all alpha-numeric signage and writing.
- (7) Temporary storage containers shall be in an approved designated area and on the same property as the principal use and be included in the calculation of overall lot coverage.
- (8) Temporary storage containers shall not occupy required off-street parking, loading or landscaping areas.
- (9) Materials stored within temporary storage containers are subject to review and approval by the fire department and code enforcement.
- (10) No temporary storage container shall be placed in a location which may cause hazardous conditions, constitute a threat to public safety, or create a condition detrimental to the surrounding land use and development.
- (11) All temporary storage containers shall be secured from entry by children and the general public when not attended.
- (12) No temporary storage container may be used for living quarters.

(b) Time limit.

- (1) Temporary storage containers shall be removed from the property within thirty (30) calendar days from the date of initial installation, delivery and/or construction. Upon

request, one extension, not to exceed thirty (30) days, may be approved by the city building official. The temporary placement of temporary or portable storage containers on residentially-zoned properties, or on properties the primary use of which is residential, for the limited purpose of loading and unloading household contents shall be permitted for a period of time not exceeding thirty (30) total days in any one (1) calendar year.

- (2) In no event shall the continuous or intermittent use of a temporary storage container exceed sixty (60) cumulative days during any twelve-month period.
- (3) Temporary storage containers associated with an approved building construction project shall be permitted to remain on-site until the approval of the project's final building inspection or the expiration of the master building permits' expiration date (180 days), if less.

(Ordinance 112019 adopted 1/9/20)

**§ 3.06.006. Current violations - time to comply.**

All owners of property within the city shall have 120 days from the effective date of this article to bring the properties which currently contain cargo containers, temporary storage containers, or non-compliant accessory storage buildings that are in violation of the terms of this article into full compliance.

(Ordinance 112019 adopted 1/9/20)

**§ 3.06.007. General provisions.**

This article shall include all future annexations.

(Ordinance 112019 adopted 1/9/20)

**§ 3.06.008. Violations and penalties.**

Any person, firm, or corporation found guilty of violating any of the provisions or terms of this article shall be subject to a fine not to exceed the sum of two hundred dollars (\$200.00) for each offense, together with the costs of such prosecution. Each and every day the offense continues shall be deemed to constitute a separate offense. In addition to and cumulative of all other penalties, the city shall have the right to seek injunctive relief for any and all violations of this article.

(Ordinance 112019 adopted 1/9/20)

**Subject:** Fiscal Year 2025-26 Proposed Budget and Tax Rate

It is with pleasure and honor that I present the proposed fiscal year 2025-2026 budget and tax rate. This proposed budget takes into consideration many factors, most importantly, the will of the people as expressed through their elected officials. This budget document is the product of many hours of research and deliberation as performed by the dedicated members of the Budget Committee. Furthermore, it is a structurally balanced proposal between our anticipated revenues and expenses and is a reflection of our collective goals and desired progress.

The proposed ad valorem tax rate of **\$0.470000 per \$100** of appraised valuation constitutes a \$0.01 increase over the previous year. This slight adjustment to the tax rate will generate an additional \$27,807 in revenue. It will allow us to adequately position ourselves to continue providing the services you rely upon every day. This proposed tax rate increase comes on the heels of persistent inflationary pressures as well as the overall stabilization of property appraisals across the region. This proposed rate is still lower than the average rate (\$0.490061/\$100) the citizens of Bruceville-Eddy have experienced over the past thirteen years.

While this budget reflects the essential day-to-day operations of our city and water system, I would like to point out some of the focus areas that will be prioritized over the coming year:

- **Water System Improvements** – Our Water system and its' respective fund continue to make up a large portion of our overall operations. As of the most recent public water use survey, an estimated 6,027 people, across 45 square miles and three counties, are currently being provided with a safe supply of water to meet their daily demands.

This year's budget will utilize general revenues, reserves, and grant funding to continue to target portions of our water system that have been identified in past water system analyses as being in need of repair or upgrade, including the addition of a sought-after groundwater well.

Also integrated into this year's budget is a greater investment in our preventative maintenance program for vital water distribution equipment and the purchase of a backup generator(s) to provide power in the event of an emergency.

- **Sewer System** – The long-anticipated sewer system project is currently estimated to be 70-80% complete. We have encountered a few unexpected obstacles throughout the construction of this project, which is understandable for a major undertaking such as this. I understand that this project has tested our community's resolve over these past 10 months, and no one feels the weight of this more than I.

We are now in the home stretch, and after a decades-long pursuit, I believe it is safe to say we will have a working sewer system in 2026! This budget includes continued inflows from USDA grant funding as well as the first year's operating revenue and expenditure.

- **Street Repairs** – Funding dedicated to street maintenance has risen dramatically over the past three years, and the Budget Committee Members wanted to ensure this trend continues. This is in part thanks to your approval of a ballot measure in November of 2023 that dedicated a new sales tax directly to the maintenance of existing streets. This sales and use tax went into effect in April of 2024 and will continue for a period of four years.

This funding referenced above is in addition to the \$1.68 million overhaul of all city streets that have been impacted by the sewer system project.

The respective street maintenance line items include money for routine pothole patching operations, the overhaul of city streets in partnership with McLennan County Precinct 1 Road and Bridge, and the proposed overhaul of a portion of Hungry Hill Road (near Hwy 7).

Bottom line, your City Council shares your desire to invest heavily in the condition and durability of our shared roadways. It may be hard to imagine, but the roads in Bruceville-Eddy are on track to look (and feel) better than they have been in a very long time!

- **Employee Compensation** – Arguably, the most important cost of any thriving organization is that of employee compensation and benefits. This budget will provide most employees who have completed one year of service with a 4% cost-of-living adjustment (COLA) while allocating a base pay increase for our Public Works Department to be in better alignment with market offerings.

A new administrative position is also being proposed to help the team working in City Hall streamline our workloads and better address routine service requests from you.

Lastly, the proposed budget will also fund an increase in the city-sponsored contribution levels to employees' retirement plans through our Texas Municipal Retirement System plan to the pinnacle '2:1' contribution level.

- **Animal Services** – To many, it often comes as a surprise just how costly it is to provide humane care to animals in today's day and age.

For many years, the City of Bruceville-Eddy has operated with little to no funding for an active animal control program. We have been working for the past two years to find a cost-efficient solution to animal sheltering operations, and fortunately, we were able to execute a contract with a private vendor for a portion of these services this year. BEPD has now been tasked with the full-time mission of enforcing all aspects of our ordinances that were created for the general welfare and protection of domesticated animals.

As in years' past, Bruceville-Eddy's financial health will maintain its tradition of fiscal sustainability and is poised to continue "rising into the future".

It is my honor to serve alongside you and the outstanding staff members of the City of Bruceville-Eddy. I look forward to discussing this budget with you at our upcoming meetings, and even further, to the implementation of the priorities expressed herein.

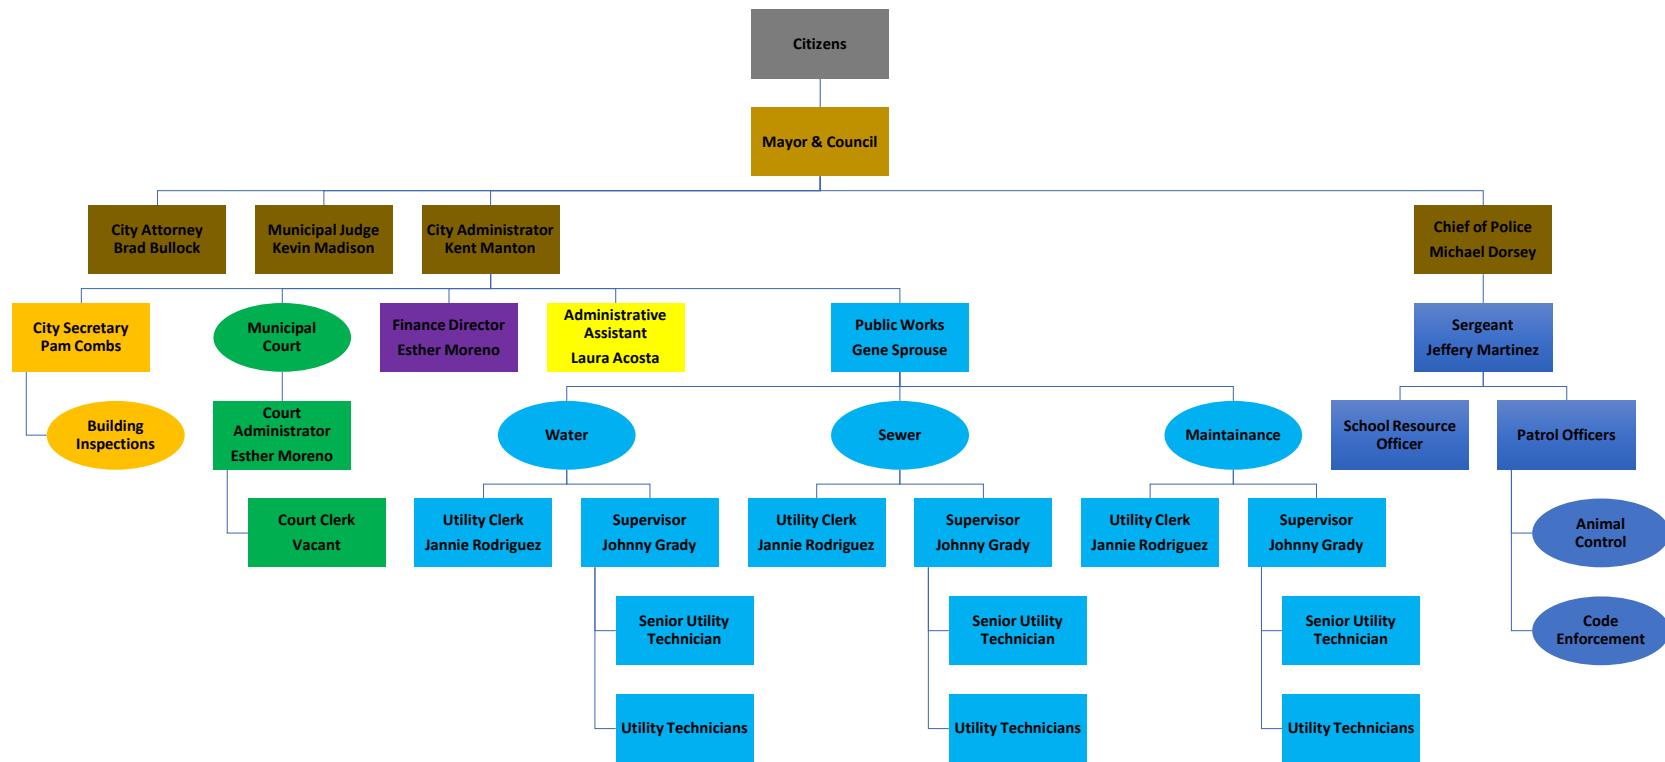

Respectfully submitted,

**GENERAL INFORMATION:** Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

### SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Line	No-New-Revenue Tax Rate Worksheet	Amount/Rate
1.	<b>Prior year total taxable value.</b> Enter the amount of the prior year taxable value on the prior year tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17). <sup>1</sup>	\$ 109,251,310
2.	<b>Prior year tax ceilings.</b> Counties, cities and junior college districts. Enter the prior year total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision last year or a prior year for homeowners age 65 or older or disabled, use this step. <sup>2</sup>	\$ 0

## SECTION 2: Voter Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

### SECTION 3: NNR Tax Rate and Voter Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

### SECTION 4: Voter Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

### SECTION 5: Voter Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value.<sup>42</sup> The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value.<sup>43</sup>

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042;<sup>44</sup>
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);<sup>45</sup> or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.<sup>46</sup>

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.<sup>48</sup>

This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.<sup>49</sup>

## SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.<sup>50</sup>

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.<sup>51</sup>

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).

*Dear City of Bruceville-Eddy*

Under the Truth-in-Taxation laws, it is the duty of the Tax Assessor-Collector to calculate the No-New-Revenue Tax Rate and the Voter-Approval Tax Rate for the entities for which he collects tax and to publicize these rates and other items of information in a way that will come to the attention of the entities' property owners. After this has been done, the governing bodies of the taxing units must adopt by ordinance, resolution, or order the rate for the current tax year. Our office has complied with the calculation and publication requirement.

Enclosed you will find a copy of your unit's 2025 rate calculations as published in:  
The Waco Tribune Herald

You may do two things with the Tax Rate at any public meeting of your governing body; either adopt the proposed rate as published, or adopt a lower rate. You cannot adopt a higher rate than what was proposed and published. Adopting the tax rate must be a separate agenda item. The M&O and I&S rate must also be mentioned separately in the motion.

**\*\*\*\*IF YOUR UNIT'S TAX RATE CONTAINS A DEBT COMPONENT, YOU MUST ADOPT THE DEBT RATE  
CALCULATED IN THE VOTER-APPROVE RATE CALCULATIONS. \*\*\*\***

If you wish to adopt a rate **more than the notice and hearing rate**, you **must** re-advertise your intentions according to the State guidelines and hold public hearings before you can legally do so. If you adopt a rate that exceeds the calculated Voter-Approval Tax Rate, you should know that the voters of your district have the power to roll back the rate to no more than the Voter-Approval Tax Rate (school districts have an automatic Voter-Approval election.).

Below you will find items that will help you in determining your 2025 tax rate. If you have any questions, feel free to contact this office.

- 1) Total Certified Taxable Value - Value certified to us by the appropriate Appraisal District(s) that includes all real and personal property with all applicable exemptions deducted.
- 2) Taxable Value of New Improvements - Value of properties that appear on the roll
- 3) Anticipated Collection Rate (ACR) for the coming year used to adjust the Debt Component of the No-New-Revenue Tax Rate (NNR) to offset expected delinquencies. The ACR is the best estimate of the total amount of taxes, penalty, interest, and attorney fee that will be collected between July 1, 2025 and June 30, 2026. If your NNR does not contain a debt component, the ACR will have no effect on the calculation.

2025 Total Certified Taxable Value	\$	114,180,631.00
2025 Taxable Value of New Improvements	\$	2,444,830.00
2025 Anticipated Collection Rate		100.00%
2025 No-New-Revenue Rate (NNR)	0.449340	Per \$100 Valuation
2025 Voter Approval Rate	0.467861	Per \$100 Valuation
2025 De Minimis Rate	0.888112	Per \$100 Valuation
2025 Proposed Rate	0.470000	Per \$100 Valuation

**WHEN YOU HAVE ADOPTED THE 2025 TAX RATE FOR YOUR UNIT, PLEASE WRITE THAT RATE IN THE SPACE PROVIDED BELOW.**

"We, the governing body of  
***City of Bruceville-Eddy***  
 have adopted the following tax rate for 2025:"

M&O: 0.470000

I&S: 0.000000

---

---

TOTAL: 0.470000

Please have the members of your governing body sign below and return to this office by **August 31, 2025**. Your cooperation in providing your rates by these dates will allow this office sufficient time to confirm rates and values to precisely print statements for mailing in a timely manner.

**Thank you very much for your consideration.**
